

All School Orientation

Thursday, September 3, 2009, 6:00 - 8:00

We want to call to your attention that we will again hold our “**Orientation**” which has replaced the home visits that teachers have traditionally made in August.

Our “**Orientation**” will begin with everyone gathering together in the church at 6:00. School Handbooks, class schedules, Time and Talent Promise and Covenants will be distributed as families arrive. At the first session (6:00) we plan to discuss general information, which should be noted by all families and all students. Topics to be covered will include:

- The Theme for the Year - “**Love is the Motive**”
- Additions to the Handbook
- Athletic Policies
- The Fall Fund Raiser - Frozen Food Sale
- Any Calendar notes of significance
- The Band Program
- Time and Talent Promise
- Student Covenant

Following the general session, there will be 3 additional sessions in our classrooms where parents can meet with classroom teachers to discuss details related to the school year in those classrooms. We are holding 3 of these sessions so parents with more than one child will get an opportunity to meet all the teachers. It should also afford an opportunity for parents who have children in the upper grades to meet with more than just the homeroom teacher for their child/children. The three sessions will begin at:

- 6:35
- 7:00
- 7:25

We are asking all families to attend the “**Orientation**” and we hope that by putting this meeting on one evening, it will be more convenient for families and teachers.

Enjoy the rest of your summer and may God bless you!

In His name,

Mr. Todd Pehlke
St. John Lutheran School Staff
